

Glossodontics

REALIGN YOUR LIFE

WHAT IS GLOSSODONTICS®?

Created by Dr. Vlad Pastouk—better known as “Dr. Oxygen”—Glossodontics® is a groundbreaking dental approach that can eliminate snoring and grinding, relieve body pains, stop indigestion, and more.

HOW DOES IT WORK?

Good health starts in the mouth. By bringing your tongue, jaw muscles and teeth into proper alignment, Glossodontics® can help improve breathing, sleeping, digestion and more. The benefits can be felt from head to toe.

WHY IS THIS IMPORTANT?

Everything in your body is connected. Glossodontics® addresses a wide range of health issues by improving the structure and functioning of the mouth system:

- ◆ Neck & shoulder pain
- ◆ Snoring
- ◆ Airway treatment
- ◆ Issues breastfeeding
- ◆ Sleep issues
- ◆ Cavity frequency
- ◆ Frequent headaches
- ◆ Teeth grinding
- ◆ Allergies
- ◆ Daytime fatigue
- ◆ Urinary incontinence
- ◆ Indigestion
- ◆ Acid reflux

WHERE CAN I FIND GLOSSODONTICS®?

Dr. Pastouk welcomes patients at the Cleveland Center for Integrative Dentistry, or you can search for a local provider at Glossodontics.com.
